Hanthorne 'Twas the Night 2004

'Twas the night before, "Twas the night"
When all through Hanthorne house
All the creatures were stirring
Even the mouse

Janessa is practicing for the play
And Erica is studying to be a teacher someday

Stef and Emily are hot E.Z. – Mack
And Rachel's dreaming for a bigger rack

Laura May entertains with her quick wit
While Natasha's on a mission as our little bread bandit

Scary Mary freaks over food
While Amanda S. is always in the mood

Chelsea's a little slow to get the punch line
While Lindsay Garrett is always lookin' so damn fine

When Lisa cheers she yells "Go G.U."
As Paula does her nails we all yell "P U"

Jamie loves to rearrange her room
And Andi has found her perfect groom

Sara Churchman yells at the cat on her fence
And Sara Kendrick is somewhat intense

Jenna will drop to one knee,
At the football players every plea

Misako is our fluttering fairy princess
While Amanda Lands trench coat provides easy access

Brittany gets caught making out with girls
As Aunt Fanny straightens all her blonde curls

Karolyn loves to just add rum
And Jen dances around shakin' that bum

Ellie is playing Christmas carols on her tuba
And Michele is the secret "Mad Poopa"

Kirsten intently watches C.S.I
While Heather bakes cakes and pie

Sara Shaw is no thug,
At the top of her wish list is a cute pug

Kaitlyn is in the bathroom dying her hair red
And Angela is in no way a slouch in bed

As Christa hums the babysitter's club theme song,
Melissa is watching a movie and playing with a shlong

While Cassie catches a softball
Erin Smith heads to Jordan Creek mall

Lindsey Smith is eating a sandwich of ham and cheese
As Megan Peirce aims to please

Christina adores Hello Kitty,
Is it your birthday? Cause we'll show you our titties!!

Whether you're counted as naughty or nice,
Let me give you this piece of advice.

Fill your holiday season with good will and cheer
As we look forward to Hanthorne's best year.
